Wool is unique natural material, which brings forth pieces of art by itself. Felt making has opened new doors for me into the artistic world. I have been able to transfer my thoughts into my felt works and to make those to be works which reflect life. My ideas just come to me. I am a visual artist and this way I can fairly use my imagination in my felt pieces. Felt making is the secret garden of experiences!

LAURA JENNA ELLINOORA ALEXANDRA

- wall relief 2007

size: height 150 cms, width 50 cms

material: Finnsheep wool, erino wool, silk chiffon

price: 1500 €
