I want to make light felt pieces and add a message or a story into them.

So thin felt, embroidery and appliqué suit me.

The theme might be an old song, a photograph or a topical issue that forces its way into the work.

Merino wool and silk fibers are my favourite materials.

### **A DESOLATE MONASTERY 2008**

materials: merino wool, old lace, silk fiber, mica fibers, pearls  
feltaking, decorations

size: 30 x 40 cms

price: kindly contact the felt maker
